Proceeds to benefit Italia Unita. Italia Unita (IU) is a not-for-profit organization promoting cultural awareness through Italian programs, events and scholarships. Each year the organization honors Italian-Americans who have contributed to improving the social welfare of various communities, as well as individuals, and forefathers who immigrated to United States of America. Italia Unita was formed in 1995 and is exempt from federal income taxes under section 501(c) 3 of the Internal Revenue Code.
